VOL. 58 NO. 232

JACKSONVILLE, ILLINOIS, THURSDAY MORNING, SEPTEMBER 18, 1924

TEN PAGES—THREE CENTS

OMAHA SELECTED BY LEGION FOR MEET NEXT YEAR

Judge K. M. Landis Given Rousing Ova- tion At St. Paul

ST. PAUL Minn. Sept. 17. (AP)—For the fourth consecutive year Racine Post, No. 76 of Racine, Wis., won the drum corps competition at the national convention of the American Legion here to-night.

Monahan Post, No. 54, of Sioux City, Iowa, won first prize for having the best band at the convention.

ST. PAUL, Minn., Sept. 17. (AP)—Decision to hold the 1925 convention in Omaha and a rousing ovation for former Judge K. M. Landis marked the third day's session of the American Legion's sixth annual convention here today.

The fight for the next convention which likely will be held early in October was a nip and tuck affair between the Nebraska city and Fort Worth, Texas, and produced some of the most exciting scenes of the convention. But those outbursts of enthusiasm were outdone when National Commander John R. Quinn presented the fiery white-haired judge. The demonstration that followed surpassed anything the convention had seen.

Indiana's delegation, headed by its band, led a rush for the platform, and soon the distinguished visitor was obscured by a thicket of department standards, as every state banner was thrust around him on the platform.

Interrupted frequently by wild outbursts of applause Mr. Landis spoke extemporaneously, scorning the topic that had been assigned to him on the constitution, as this was constitution day at the convention.

"Why, God bless you," he said, "talk the constitution of the United States to the Legion? Had it not been for what the organization represented by this outfit did, there wouldn't be any constitution of the United States."

Besides selecting the 1925 meeting place and hearing Judge Landis, the convention accepted the time and place committee report promising the 1926 convention to Philadelphia and agreed to entertain an invitation from France for the 1928 convention in Paris.

Greetings from the Veterans of Foreign Wars, Disabled American Veterans and the British Legion and an address by George L. Berry, representing the American Federation of Labor, completed the day's business session.

Many delegates took part in the 40 and 8 horse and buggy parade this afternoon, others viewed the planting of a tree by the Legion at the state capitol grounds and tonight a fire works display and public wedding and a boxing card furnished the entertainment. The 40 and 8 will elect its officers tomorrow and head the annual parade and initiation tomorrow night. Prominently mentioned as possible successors to Robert J. Murphy of Iowa, chef chien de fer are W. C. Reed, Illinois; George F. Plant Wisconsin; W. B. Hatch, New York, and T. V. Haines, Arizona.

ST. PAUL, Minn. Sept. 17. (AP)—With the definite announcement that General Pershing does not wish to be considered a candidate for national commander, delegates to the national convention of the American Legion here tonight were casting about quietly for some one acceptable to all groups.

Friends of General Pershing made it known today that the commander of the A. E. F. could not accept the commanderyship of the legion, because of other plans he had made for the next year, and thus died the boom for his election as successor to John R. Quinn of California.

Other candidates already put forward were being advocated by their friends with renewed vigor tonight, while in many quarters there was the prediction that a

(Continued on Page 4.)

WEATHER

Illinois—Increasing cloudiness Thursday, probably followed by showers Friday in central portions.

STEEL CORPORATION AGREES TO ABOLISH "PITTSBURGH PLUS"

Determine To Conform
Without Admitting
Order's Validity

WASHINGTON, Sept. 17. (AP)—The United States Steel corporation and other concerns affected have notified the federal trade commission that they will conform, insofar as it is practicable to do so, to the commission's order directing abandonment of the Pittsburgh plus system of establishing prices in the industry.

The decision was made public today by the commission the respondents having determined to conform "without admitting the validity of said order or the jurisdiction of the commission to make the same."

The response was signed by the United States Steel corporation, American Bridge company, American Sheet and Tinplate company, Carnegie Steel company, National Tube company, American Steel and Wire company, Illinois Steel company, Minnesota Steel company and Tennessee Coal, Iron and Railroad company.

The commission's order was dated July 21, after a long series of hearings and arguments which marked the case as one of the most bitter the federal agency has considered. The order held that the Pittsburgh plus system, by which the corporation and its subsidiaries quoted prices from all plants regardless of location, at the Pittsburgh base price plus freight charges from that city to destination was an unfair method of competition in violation of the federal trade commission act and a means of price discrimination in violation of the Clayton act.

THE MINISTER HURT BY
AUTO WANTED DEATH

CHICAGO, Sept. 17. (AP)—Rev. Leslie Anderson of St. Joseph, Mich., was found unconscious on a downtown street today, having been struck by an automobile in the opinion of the police. Two blocks away was his automobile in which was pinned several notes, one of which began with:

"One who is about to die salutes you."

Anderson was brought to the county hospital, where it was said he will recover. How he came to be injured he could not say. He said that he left St. Joseph, following a quarrel with his wife and the "first thing I knew I was in Chicago."

"I found myself out of funds," he continued, "and made several trips to Libertyville in search of employment. Last night I came back. I wrote a letter to my wife in the automobile and pinned it to the cushion of the seat. That is the last thing I remember."

"I wanted to die. I thought that was the best way out of my troubles."

Chief of Police Fred Alden of St. Joseph reported that trouble in Rev. Anderson's church was expected to result in a hearing of the board of trustees on charges concerning the preacher's conduct with two St. Joseph women.

SPRINGFIELD, Ill., Sept. 17. (AP)—Pleas that Governor Small save Bernard Grant, 19 year old Chicago boy convicted to hang for the shooting of a policeman in Chicago, have been coming to the Governor's office in such a large volume that a form letter was adopted today, to be used in replying to those who seek commutation of Grant's sentence.

Most of the letters come from outside the state, George Sutton, the Governor's secretary, said today. The form letter used in replying to the appeals thanks the writers for their interest and assures them that the Governor will consider the case on its merits, if it comes to him for action.

FOUR ARE BURIED
IN SEWER CAVE-IN

BODY OF BANKER
FOUND IN WOODS

LODI, Wis., Sept. 17.—A search which has continued since Monday for Ferdinand Markgraf, cashier of the Columbia State Bank of Lodi, ended today when a posse discovered the body of the banker in a woods near Dane. Two bullet holes were found in the head, indicating suicide, officers said.

Markgraf disappeared Sunday. Bank examiners who were summoned to examine the condition of the Columbia State Bank reported yesterday that bonds and securities probably amounting to \$25,000 were missing. Financial difficulties are believed to have been the cause of the banker's disappearance.

HARD-BOILED" MAYOR
STIRS UP TROUBLE

FRANKLIN GROVE, Ill., Sept. 17.—Mayor George W. Johnston of this village is at his home in the south part of town this afternoon, suffering from injuries he received at the hands of a crowd of business men and prominent citizens who took matters into their own hands when it is alleged he struck Miss Bertha Zoeller, aged 22, over the head with a loaded "slapjack" and then pulled the trigger of a revolver which he had shoved against her breast, when she protested against his alleged attempt to choke her pet dog.

EAST PEORIA BANK
CASHIER SENTENCED

PEKIN, Ill., Sept. 17.—John M. Speers, former cashier of the Fon Du Lac State bank at East Peoria, came into circuit court here this morning and pleaded guilty to a charge of embezzlement and was sentenced to 1 to 10 years in the Joliet penitentiary by Judge J. M. Neihaus, June 30, last.

MARINES ARE HELD FOR
MURDER OF COMRADES

Beaufort, S. C. Sept. 17.—A verdict returned by a coroner's jury here tonight held J. G. Williams and W. G. Counts, privates in the United States Marine corps, stationed at Parris Island, responsible for the death of Aaron Frederickson, also a marine, whose headless body was found in a marsh near Parris Island, June 30, last.

ALABAMA SEIZES
ITALIAN STEAMSHIP

Mobile, Ala., Sept. 17.—The Italian steamship Vallescara, at this port loaded with a cargo for South American ports was seized in the name of the state of Alabama today by Sheriff Cazares. The state in a court order charges that the vessel illegally transported prohibited liquors, that liquors were sold and drunk on board the vessel with the knowledge of the captain at that time. Angelo Ciarlo, who was murdered by one of his crew.

Kewanee, Ill., Sept. 17.—The little son of Verne Macshay, a farmer living north of here was drowned in a stock watering tank today.

COOLIDGE SAYS WILBUR CALLED FOR DISCUSSION

Denies Any Criticism
Heard On Speeches
Made On Coast

WASHINGTON, Sept. 17. (AP)—President Coolidge made it known formally today that he called Secretary Wilbur here from California "to consult him on important naval matters of purely domestic concern."

Persistent speculation and inquiries at the white house since the president's message was sent to the navy head Monday night brought forth today an official denial that the president had heard any criticism of any speech made on the coast by Secretary Wilbur or any comments concerning them other than that they had been very helpful.

Mr. Coolidge has shown some interest in the political situation in California, conferring over the week end with Chester Rowell, publisher of that state who reported that, the some local difficulties were in sight, the national ticket appeared secure.

The president received only a few visitors today giving some attention to the address he will deliver Sunday afternoon before the holy name society convention.

Senator Spencer of Missouri, called at the white house preparatory to leaving for Missouri to take part in the campaign there. On the basis of reports he had received from the state the senator was enthusiastic about prospects of the Republican ticket there this fall. Encouraging reports on the outlook in West Virginia also were presented to the president by I. T. Mann of Bramwell and Thomas W. Fleming of Fairmont.

Tomorrow Mr. Coolidge will review the marines returning to Quantico, Va., from their annual summer encampment near Frederick, Md. The marines will parade thru the white house grounds.

GOVERNOR RECEIVES
MANY GRANT PLEAS

SPRINGFIELD, Ill., Sept. 17. (AP)—Pleas that Governor Small save Bernard Grant, 19 year old Chicago boy convicted to hang for the shooting of a policeman in Chicago, have been coming to the Governor's office in such a large volume that a form letter was adopted today, to be used in replying to those who seek commutation of Grant's sentence.

Most of the letters come from outside the state, George Sutton, the Governor's secretary, said today. The form letter used in replying to the appeals thanks the writers for their interest and assures them that the Governor will consider the case on its merits, if it comes to him for action.

FOUR ARE BURIED
IN SEWER CAVE-IN

MILWAUKEE, Wis., Sept. 17. (AP)—Efforts to rescue our imprisoned sewer workers two of whom are believed to have been buried alive here this morning were of no avail up to 12:30 p.m.

The two men, John Ticka and Otto Cina, were reached by doctors who gave them stimulants while rescue workers tugged away at tons of debris surrounding them.

The cave-in occurred in a new branch of a sewer system being completed by Hammen and Co., of Detroit. John Milich and William Beljon, two of the imprisoned men came here from Detroit last December.

Shortly after starting their shift the four men discovered wet gravel and water dripping over them apparently from a break in the water main. They spent the early morning hours bracing it and had about completed their labors and were due to quit at 7 a.m., when the cave-in occurred.

BLOOMINGTON WOMAN
IS HORSESHOE CHAMP

Bloomington, Ill., Sept. 17.—Mrs. Laura Lanham, wife of Clarence Lanham, an employee of the local Alton shops began her career here as a horseshoe pitcher. She became widely known by taking first prizes at St. Petersburg, Fla., and Des Moines, Iowa in tournaments at those places. She is the mother of one daughter and recently defeated Frank Jackson at Minneapolis for the world's championship. She also holds same title for women horseshoe pitchers.

NEW YORK, Sept. 17.—The American Legion's McLean County DEAD

REPUBLICAN LEADERS
DISCUSS AGRICULTURE

CHICAGO, Sept. 17. (AP)—Republican leaders from various agricultural states discussed informally today with national campaign managers the qualifications of available material for President Coolidge's proposed commission of agriculture inquiry.

Officials at the headquarters of National Chairman William M. Butler indicated that the work of tentatively selecting the personnel of the proposed body had not yet advanced to the stage which would permit of the publication of names. It was learned, however, that a considerable number of the appointees probably will be selected from a long list of qualified farmers from the west and northwest states.

Mr. Butler's office is expected to make recommendations to the president which will receive early consideration for appointment to the commission.

ALABAMA SEIZES
ITALIAN STEAMSHIP

Bloomington, Ill., Sept. 17.—Dr. Charles M. Noble, a pioneer physician and surgeon of McLean county, died last night. For several years, he had not been in his usual health, but able to be up and around. Yesterday afternoon while at the Bloomington club, he suffered a stroke from which he did not regain consciousness. He is survived by one son, Dr. Robert Avery Noble.

MARINES ARE HELD FOR
MURDER OF COMRADES

Beaufort, S. C. Sept. 17.—A verdict returned by a coroner's jury here tonight held J. G. Williams and W. G. Counts, privates in the United States Marine corps, stationed at Parris Island, responsible for the death of Aaron Frederickson, also a marine, whose headless body was found in a marsh near Parris Island, June 30, last.

ALABAMA SEIZES
ITALIAN STEAMSHIP

Counts, privates in the United States Marine corps, stationed at Parris Island, responsible for the death of Aaron Frederickson, also a marine, whose headless body was found in a marsh near Parris Island, June 30, last.

Successful Flight Made To Fort Crook

OMAHA, Neb., Sept. 17. (AP)—Another 440 miles of their world encircling flight checked off by the uneventful four and three quarters hours jump from Chicago to Omaha today, the army world fliers, their planes safely guarded for the night at Jarvis Offutt Airmail Field at Fort Crook, Neb., near here to-night rested, foregoeing social activities in preparation for the 450 mile jaunt tomorrow, if weather permits, to St. Joseph, Mo., and Muskogee, Okla. The six airmen, Lieutenants Lowell H. Smith, commanding; Leslie P. Arnold, Erik Nelson, John Harding, Leigh Wade and Henry G. Ogden, spent the night at hotel after dining privately. They retired early to be at the field in time to have their planes ready to depart at 9 o'clock Central Standard Time.

The landing at Jarvis Offutt Field was made at 12:55 this afternoon about an hour and a half before expected. As a result the crowd at the field was not as large as had been expected. A brisk tail wind speeded up the flight. Lieutenant Smith explained.

The escort of nine army planes which took off from Fort Crook shortly after 12 o'clock to accompany the round the world fliers in the final fifty or sixty miles of today's flight missed the trio entirely. The escort flew straight east from Fort Crook while the fliers.

TREASURY ACCUSED
BY B. C. BREWER OF
NUMEROUS CHARGES

Claims Bonds Were Duplicated
And Coupons Paid
In Advance

WASHINGTON, Sept. 17. (AP)—"Little Willie" Dalton, the sixteen year old boy who in 1921 upset the country by walking away from a Chicago bank where he was employed with bonds valued at \$772,000 went home with his mother tonight without fear of being sent to a reformatory or penitentiary. A jury trying him for the theft of the securities after two other juries had disagreed today decided that he is not guilty.

General Halstead Dorey, of the seventh army corps area and Mayor James C. Dahlman of Omaha joined in the reception.

Accompanying the fliers here were Lieutenant B. S. Wright, advance man and Lieutenants T. P. Smith and Leo Dawson, who will go to St. Joseph to

The Masonic bodies of Jacksonville will hold a conference soon when definite plans will be outlined for the securing of a Masonic home. The site has been purchased and the plans for the building approved. Now will come the task of financing. The building is a certainty in the not too distant future and will be another marked indication of the advancement that Jacksonville is making.

Things over the improvements that have been made in this city will in the last few years, that are now in progress and you will have a thrill of pride for the good city of Jacksonville.

There is no denying that the city planner told a very evident truth when he said that a union station is one of the outstanding needs of Jacksonville. From time to time through the years this subject of a union station has been mentioned but without result. The proximity of the railroads here makes the problem less difficult than might otherwise be true. However, a railroad junction where many freight trains are passing also presents its problems.

Mr. West said that this situation could be met here by having sheds for passenger trains so placed that there would be no delay on account of freight traffic. The union station project is one which should continually be kept before the railroads for eventually it can be worked out for the good of Jacksonville.

Now influence is being brought to bear from all over the union of Governor Small to save the life of Bertrand Grant, who has been condemned to die on a murder charge. Grant is 19 years of age and no doubt much of the sympathy aroused for this young man is due to the verdict in the Leopold-Loeb case. The public evidently has the feeling that if these sons of millionaires were of tender age to pay the death penalty, the same rule should apply to Grant.

Two of about the same age were yesterday sentenced to hang for murder in Baltimore and there will be pleas of commutation of their sentences on the same ground. The effect of Judge Caverly's finding is showing itself very promptly.

Governor Deneen did not make an explosive, flag waving political address in Jacksonville last night. Instead he applied sound logic and calm analysis to the political record and showed in the manner of a lawyer who has a good case, that the Republican party is responsible for advances made in recent years toward world peace, has applied economy methods to the business of the government, and thru the soundness of its policies justly claims the credit for the satisfactory condition in which labor finds itself.

There were no loud claims as to what the party will do for the farmer or for any other class thru special legislation. Instead Mr. Deneen emphasized that desired conditions come to pass because of the soundness of fundamental things, the correctness of policies that are followed.

The Jacksonville audience which heard Mr. Deneen was impressed with the correctness of his views and his grasp of the problems that affect national and international life.

Dr. and Mrs. E. L. Hill were among the Jacksonville people who attended the State Fair yesterday.

I. C. PAPER DESCRIBES NEW GIRLS HOME

The Rambler Makes Its First Appearance of the Year and Carries an Interesting Article on the New Home for Girls

The Rambler, student publication of Illinois college was issued yesterday, at the beginning of the 96th year of the college, in which it carries the following pertinent article in reference to the new woman's building, which is now ready for use:

The scene of greatest activity and of absorbing interest for the girls of the College at present is the new Woman's Building. This building, known to Jacksonville residents as the Kellogg house, is located just across from the southeast corner of the campus, on Grove street. For years the girls and women interested in the college have been trying to raise enough money to buy it, and use it as a home for the girls' so-

cieties. This year the committee in charge decided that they could really take it, and incorporated as the Woman's Building Board, completed the transaction in June. The Board is composed of one representative from each class that has been in college since the inauguration of the plan, alumnae, and honorary members of the societies. The present officers of the Board are: Mrs. John Johnson, chairman; Carol Lander, vice-chairman; Mrs. Truman Carter, secretary, and Lillian Havenhill, treasurer.

This new home for the girls is one of the oldest houses in Jacksonville, having been built about 1835. It is a big, old-fashioned colonial house with a great lawn in front, and a lot back big enough for a girls' athletic field. Entering the house, one finds oneself in a long dim hallway, hung with pictures, and somehow, mutely suggestive of the generations that have passed through it. On the east are two large rooms which are connected by double doors where the Y. W. C. A. will be at home. On the west, are two rooms of the same size which have been given to Gamma Delta and Sigma Phi Epsilon. Up the wavy, winding staircase which ascends from the hall, and on the west side of the house are the rooms of Agora and Alpha Eta Pi. All these rooms are big and airy, with high ceilings and long windows. Each has a fireplace, which means the realization of every girl's dream. The rooms have been freshly papered and painted, and the Gamma Delta, Sigma Phi Epsilon and Agora halls have new hard wood floors laid, the gifts of their alumnae. A community dining room and kitchen are on the south downstairs, and will be fitted up with sufficient utensils for the girls to cook what they want when the notion strikes them. On the southeast, there is a long porch, now available for warm days, but which one day, we hope, or dream, can be glassed in and fitted up with wicker and ferns to make a sun parlor where afternoon tea may be found by tired, overworked girls.

It is the intention of the committee to have the Y. W. C. A. room comfortably furnished and always open as a place for study or rest between. Another great advantage is that it will be possible for the girls to entertain in their own home, instead of taking so many of their functions outside the college grounds. And the house has a real furnace and a caretaker, so they will no longer have to fuss with a balky stove on cold afternoons.

In order that there will be someone to take general charge of the house, an apartment has been arranged where a college family will live. This year it will be occupied by Mr. Dunkelberger, who is doing post-graduate work, and his wife and daughters. A house committee of society representatives and members of the board will be appointed to draw up regulations as to the conduct of the house, to pro-rate the running expenses, and so forth.

The success of the campaign for the Woman's Building is due entirely to the members of the committee and the girls are most grateful to them for their untiring, though quiet efforts. It is the beginning of a new chapter in the life of the girls at Illinois.

Mr. and Mrs. Edward Litter were among the Wednesday visitors at the state fair.

STOP AND THINK This Means You!

Before you enroll in any other school, get the facts. No matter what you now are or where you live, you can be a big success. The best part of it all is, that any man, woman, boy or girl, who is able to read, write and think can make good. All the secrets of success can be summed up into one word—try. If you have the backbone to try, let us raise you out of the "dub" class. The Harvard Tutoring School is a modern Home Study Institute on scientific basis, conducted exclusively by Harvard men. Our modern and concentrated College, Business, technical and industrial courses start you up higher and move you up faster. We will prepare you conscientiously to hold your own where competition is keen. You will not lose single working hour, just let us bring you up during your spare time and you will not get into a blind alley where you will have to drudge away at poor pay throughout a long lifetime. It costs you nothing but a stamp to inquire—do it today, it is the shortest and surest way to success. Harvard Tutoring School, 5 Boylston St., Cambridge, Mass.

NORTONVILLE

The regular church services were held at the Young Blood Baptist church Saturday and Sunday.

Mr. and Mrs. Ezra Owens spent Sunday with James Ellington and family.

Mr. and Mrs. James O'Brien were Jacksonville visitors Saturday.

Mr. and Mrs. Lewis Sooy of Mur-

raville spent Sunday with Mr. and

Mrs. Elijah Henry.

Mr. and Mrs. Curt Kelley of Man-

chester spent Sunday with friends in

this vicinity.

Several families of this community attended the Waters reunion Sunday which was held at the home of John Waters near Athensville. Mr. Waters is in poor health and it was his desire to meet again his friends and relatives. The number of guests present was 79. The day was pleasantly spent and an excellent dinner was served.

FUNERAL NOTICE

Funeral services for Mrs. Margaret Kastrup, whose death occurred Wednesday morning at Passavant hospital, will be held this afternoon at Brooklyn church, where she has been a member for the past ten years. The services will be in charge of Rev. G. W. Raudle, with interment in Carrollton cemetery.

Aside from being an active member of the Brooklyn church Mrs. Kastrup has held a number of important offices relative to the church. She was a member of the official board in the capacity of steward, treasurer of the Women's Foreign Missionary society, president of the Ladies' Aid society, treasurer of the Benevolence Budget, and superintendent of the Sunday School Cradle Roll. She was also a member of the Passavant Hospital Aid society and a member of the board of directors of the Social Service League.

Besides her husband she leaves four sisters, Mrs. Carrie McGill, Mrs. Frances Stokes and Miss Amy Bowman of Chicago and Mrs. Charles Boring of Springfield, and one brother, Charles E. Bowman of Chicago.

NEW PLAN ENDORSED BY AMERICAN FARM BUREAU FEDERATION

Favor Grain Marketing Company At Quarterly Session Close

CHICAGO, Sept. 17. (AP) — The executive committee of the American Farm Bureau Federation today at the close of its quarterly session endorsed the grain marketing company organized to operate and ultimately to take over properties of grain operators. The committee urged the use of the facilities of the new corporation upon farmers everywhere, and recommended that they affiliate with the company.

"The special grain marketing committee appointed by the A. F. B. F." said the resolution adopted, "has made its report to the sentiment expressed by the executive committee last June, which carries out the policies of protecting the interests of the consumer as well as providing advantages for the producer."

The H. E. Wheeler Company

215 South Main

The resolution stated the legislative program of the farm bureau, "during the last four years" had resulted in the passage of the Capper-Volstead act, "which authorizes the farmers to get together in a cooperative way for marketing." In the passage of the intermediate credits act and the amendment to the federal warehousing act. The new company was represented as the needful next step in the marketing program, "which will allow farmers to more fully avail themselves of these legislative provisions."

SENATOR WHEELER SPEAKS IN CLEVELAND

Cleveland, Ohio, Sept. 17.—Senator Wheeler of Montana, vice-presidential nominee on the Independent Ticket grappled again today with the task of explaining publicly the constitutional proposals for which the third ticket leaders stand. Two Cleveland audiences, both of them larger than any comparable gatherings he has encountered outside of New York City in three weeks of campaigning, heard him.

TWO FARM BUREAU OFFICERS RESIGN

Chicago, Sept. 17.—John W. Coverdale resigned as secretary and director of organization of the American Farm Bureau Federation at the quarterly session of the executive committee here today and Gray Oliver resigned as director of the legislative department and Washington representative of the federation.

Mr. Fred Eiler of Franklin was a shopper in the city yesterday.

C. F. Cordes of Neelyville transacted business in Jacksonville Wednesday.

K. V. Beerup was among the Alexander residents who visited in the city yesterday.

J. H. Shirley helped to represent the Woodson neighborhood in Jacksonville Wednesday.

Waverly, Sept. 17.—The first meeting of the season of the Waverly Woman's club was held recently at the Christian church, which is the new place of meeting of the club, with the president, Mrs. H. E. Funk in the chair. An excellent program was presented, as follows:

Violin, "Nocturne," Chopin; "Chinese Tambourine," Kreisler—Mr. Alfred Hughes.

Travolges to the Pacific Coast, Miss Olive Burnett; Mexico City, Mrs. Wilson M. Smith.

Piano: "Soaring," Schumann; "Mandolinata," Saint-Saens — Miss Bess Bradford. An encore, Miss Bradford played "Concert Etudes," F. LaForge.

Delegates and alternates were elected to attend the annual convention of the Federation of Women's clubs to be held at Jacksonville next month, the names being as follows:

Miss Norma Scribner, Mrs. Henry Miner, Mrs. Fred E. Deatherage, Mrs. Henry Horton. A guest of the club was Mrs. W. W. Deatherage of Auburn.

Bird Peebles has bought the residence property of Edward Dillon, located in the northwest part of town, where Mr. Peebles now resides.

The Missionary society of the Congregational church was entertained Thursday afternoon last week at the home of Mrs. Emma Turnbull.

Mrs. George Bland was hostess to the Willing Workers class of ladies of the First M. E. Sunday school, at her home one afternoon last week. A pleasant social afternoon was spent.

Mrs. Charles Hoppin and son of Jacksonville, spent several days last week visiting relatives here.

Mr. and Mrs. James Ropach of Pana were recent callers here.

Mrs. Archie Mellgren of Monroe, La., made a visit with friends one day last week. Mrs. Mellgren was formerly Miss Manita Clawson of this city, her parents being Mr. and Mrs. Joseph Clawson, who moved to Monroe many years ago and this was her first visit to her childhood home since her departure for the south.

Stuart Coe has gone to Decatur, where he enrolled as a student at Millikin University.

Miss Marie Miller has gone to Canton, Ohio, where she has taken a position as teacher in the schools.

Owen Doyle was taken to Our Saviour's hospital at Jacksonville recently, where he still remains a patient.

Allan Conlee and Roy Goode departed last week in a Ford for Flagstaff, Arizona, to make an indefinite stay.

Mr. and Mrs. J. J. Goode spent several days last week with relatives in Peoria.

Mrs. Joel Turner made a few days' visit in Jacksonville last week at the home of Mr. and Mrs. L. B. Turner.

Frank Brown, who had his Ford coupe stolen recently at New Berlin, recovered it last week, the thief being caught in the act of stealing chickens.

Kenneth Deatherage of Springfield made a recent visit at the home of his aunt, Mrs. J. W. Keppler.

What This Buffalo Physician Has Done For Humanity

The picture which appears here of Dr. Pierce of Buffalo, N. Y., was taken in 1910. As a young man Dr. Pierce practised medicine in Pennsylvania and was known far and wide for his great success in alleviating disease. He early moved to Buffalo and put up in ready-to-use form, his Golden Medical Discovery, the well known tonic for the blood. This strength-builder is made from a formula which Dr. Pierce found most effective in diseases of the blood. It contains no alcohol and is an extract of native roots with the ingredients plainly stated on the wrapper. Good red blood, vim, vigor and vitality are sure to follow if you take this Alternative extract. Dr. Pierce's Golden Medical Discovery clears away pimples and annoying eruptions and tends to keep the complexion fresh and clear. This discovery corrects the disordered condition in a sick stomach, aids digestion, acts as a tonic and purifies the blood. Write Dr. Pierce's Invalids Hotel in Buffalo, N. Y., and receive confidential medical advice without charge. All drugists sell Discovery, tablets or liquid. Send 10c for trial package.

DAVIS PROMISES TO MAKE FURTHER CUT IN GENERAL TAXES

Makeks Speech In Des Moines, Known As Republican Stronghold

DES MOINES, Iowa, Sept. 17. (AP)—Further tax reduction and a downward revision of existing tariff duties in a manner to avoid jeopardizing the stability and sense of security that are essential to the transaction of business were promised here tonight by John W. Davis in an address in this stronghold of Republicanism.

In making these promises, Mr. Davis vigorously assailed the existing tariff law, and attacked President Coolidge for what he described as "cooly" claiming credit for the tax relief given by the "Democratic tax bill" passed by the last Congress, able which he asserted the administration opposed at every step of the way thru Congress.

Contrasting what he said were the guiding principles of the two parties in the handling of matters of tariff and taxation, the Democratic presidential nominee declared "the Democratic theory is a maximum of revenue with a minimum of tax; the Republican doctrine is a minimum of revenue with a maximum of subsidy."

Besides promising tax and tariff reform, Mr. Davis declared for economy in government, national and state, and in this connection he said he wanted to take exception to the "boasting" of the Republican administration on the subject of tax and public debt reductions.

He presented figures to show that the Democratic administration had reduced taxes more than two billions of dollars after the war and that it had cut the public debt at a rate of \$140,000,000 a month against the \$67,500,000 under the present administration.

Mr. Davis' address tonight was the fourth delivered here since his arrival early in the day from Missouri.

He spoke first at an organization meeting of Democratic leaders, then at a gathering of Democratic women and finally, at a dinner by the junior chamber of commerce. He left tonight for Chicago where he is to speak tomorrow night.

Waverly, Sept. 17.—The first meeting of the season of the Waverly Woman's club was held recently at the Christian church, which is the new place of meeting of the club, with the president, Mrs. H. E. Funk in the chair. An excellent program was presented, as follows:

Violin, "Nocturne," Chopin; "Chinese Tambourine," Kreisler—Mr. Alfred Hughes.

Travolges to the Pacific Coast, Miss Olive Burnett; Mexico City, Mrs. Wilson M. Smith.

JACKSONVILLE, ILL.

new Club home on Grove street. In addition to the initiation services, Agora society will elect officers. The societies of Sigma Phi Epsilon and Gamma Delta merely held initiation ceremonies. The societies will entertain with a social hour following the business meetings.

Standard Bearers Plan Meeting

The Standard Bearers of the Centenary church will entertain its members with a social and business meeting, held at the church Friday night. Supper will be served at six o'clock, and the business session will include an election of officers.

Get-Together Party At I. C. Gymnasium

The annual get-together party of the Y. W. C. A. and the Y. M. C. A. of Illinois College, was held in the college gymnasium last night, with dancing the feature of the evening's entertainment.

The affair was well attended and successfully carried out. Several members of the faculty were chaperones for the occasion, and the committees composed of Arleen Linder, Glenna Smith and Clarence Wilson were in charge of the evening.

H. H. S. Club of Woodson Meets

The Household Science club of Woodson met yesterday afternoon with Mrs. Flossie Ranson, a good number of members being present. Roll call was answered with "Tropical Fruits Used in Our Diet," a paper, "History of the Banana Industry" was given by Mrs. Ethel Hayhurst, and Mrs. Chauncey Carter pleased the members with two instrumental solos. This was followed by a demonstration of date sandwiches by the hostess, who also served a tropical luncheon on the porch.

Children with delicate digestion sometimes prefer eggs without butter. Season with salt and a tiny bit of pepper.

Pear Bavarian Cream.

One cup pear pulp, 2 tablespoons lemon juice, 3-4 cup sugar, 1 tablespoon gelatin, 6 table-

Menus for a Family

Tested by SISTER MARY

Breakfast — Stewed prunes, whole wheat cooked cereal, toasted rolled oats bread, soft-boiled eggs, thin cream, milk, coffee.

Luncheon — Cream of tomato soup, croutons, apple tapioca pudding, plain cookies, tea, milk.

Dinner — Roast beef, potatoes baked with meat, brown gravy, creamed cauliflower, apple-celeri-nut salad, pear, bavarian cream, coffee, milk.

The roast beef should be rare, but not unappetizingly so. Children are often very sensitive to too rare meat and refuse to eat one of the most valuable meats for no other reason than this. If the roast is a delicate pink in the center the meat is easily digested and not unattractive.

Soft Boiled Eggs

Allow 1 cup of boiling water for each egg to be cooked. The water should be boiling briskly when the eggs are put in. As soon as the water reaches the boiling point after adding eggs, remove from the fire and let stand four minutes. Remove from hot water and hold under cold water one or two seconds to cool the shell.

Children with delicate digestion sometimes prefer eggs without butter. Season with salt and a tiny bit of pepper.

Pear Bavarian Cream.

One cup pear pulp, 2 tablespoons lemon juice, 3-4 cup sugar, 1 tablespoon gelatin, 6 table-

I. W. C. CHAPEL SERVICES IMPRESSIVELY HELD

Dr. Burnham In An Interesting Address Discussed For The Students the Things the Process of Education Ought to Do For Them.

The Illinois Woman's College opened formally with an impressive chapel service held in Music Hall at 9 o'clock yesterday morning when Rev. Dr. Frederick W. Burnham, president of the United Missionary Societies of the Disciples of Christ, delivered an inspiring address to the student body on "The Purpose of College Life."

Dr. Burnham outlined the purposes of college under the following heads: the discovery of the trend of life; the masterly control of life's powers; a development of social consciousness; and a deepened reverence for God and acquaintance with His handiwork.

Chapel services were opened with an organ prelude by Director Henry Ward Pearson, and a short devotional period led by President Harker. The first appearance before the student body of Mrs. Moncrieff, contraltoist, who takes the place of Madame Colard, was welcomed with pleasure yesterday morning when Mrs. Moncrieff sang "Like as the Hart."

Greetings from Sarita Jones, and Elva Becker, former Woman's College students, who sail the 27th to South America, were read and Dr. Harker welcomed the students, admonishing them that college was a "place of learning, a place of friendships; and a place of religion."

Bringing greetings and a welcome from the ten churches of the Jacksonville Ministerial Association, Rev. M. L. Pontius of the Central Christian Church, spoke briefly to the student body to whom he said: "We go to college with a definite purpose and that purpose is the following of an ideal, which we will find is not a goal, but a portal which enables us to link our trained and discriminating faculties to the golden opportunity of life. The churches

PARTY IS ENTERTAINED AT BROCKHOUSE HOME

Dinner Party Held Near Chapin—Other Chapin News

Chapin, Sept. 17.—Mrs. Maggie Moody and daughter, Mrs. Frank Brockhouse entertained a party of relatives and friends at dinner Sunday at their home south of town. Those in the company were J. W. Ethel and granddaughter, Miss Katie Blacklock of King City, Mo., Mr. and Mrs. Fred Kuble and son James of Manchester, Mr. and Mrs. Charles Taylor, John Taylor, Mrs. Elsie Adams and daughters Hazel and Wanda, Miss Ruth Moody and Miss Esther Moody.

Miss Amy Onken visited Purdue university at West Lafayette, Ind., from Monday to Wednesday.

Mrs. Newton Wilson was hostess to the Coterie Wednesday afternoon.

An unusually large attendance of members besides two guests, Mrs. Emily Cowdin and Mrs. Chester Brockhouse were present. The roll call was current events and was very interesting as many topics were discussed.

Mrs. E. H. Nienhueser had a paper on "The New Immigration Bill and Japanese Exclusion Clause."

A delightful social hour followed at which time the hostess served delicious refreshments. The next meeting will be with Miss Carrie Dietrich October 1st.

Mr. and Mrs. Chris Nienhueser and two children of Blackburn, Mo., arrived Wednesday night and are guests of Mr. and Mrs. E. H. Nienhueser and Mr. and Mrs. Louis Nienhueser.

DEATHS

John Nelligan

John Nelligan, aged 53 years of Illinois, Ill., passed away at a local hospital yesterday morning at one o'clock. The body was removed to Carroll's Funeral parlor and later taken overland to his home where funeral services and interment will take place.

Rheumatism

"Yes it's all gone."

DO NOT close your eyes and think that health, free motion and strength are gone from you forever! It is not so. You can get rid of your rheumatism by building up your blood power. It is a fact that rheumatism means "blood poverty." It is a fact with the increase of red cells in your blood, impurities are destroyed. It is a fact that S.S.S. will help Nature build these red-blood-cells! S.S.S. is one of the most powerful blood cleansers in existence. Its results in thousands of rheumatic cases have been nothing short of amazing! The medicinal ingredients of S.S.S. are purely vegetable. This is very important to remember! What can be more inspiring, more wonderful than to see the shackles of pain released from your struggling body, swelling, lingering pains, stiffness of joints and muscles will disappear; your stomach will be strong; your face pink with the old sweethearts glow, your blood enriched and your cheeks more plump as they used to be. You can do it! Take S.S.S. the great destroyer of rheumatic impurities.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

ALEXANDER

Alexander, Sept. 17.—Mr. and Mrs. Joseph Hermes and children and Mr. and Mrs. John Hermes of Medina, Mo., who have been visiting relatives here expect to leave Thursday for their homes.

Miss Edna Bracewell's music club will give a program at the Methodist church Saturday evening at 7:30 o'clock. The public is invited, especially the parents of the pupils.

The Alexander Woman's club held their regular meeting today at the home of Mrs. Mary Hohman, east of Alexander.

Mr. and Mrs. Oscar Lloyd, Mr. and Mrs. H. J. Ridder, Mr. and Mrs. Sam Camm and son, Barney, C. M. Strawn, F. J. Kaiser, John Wys, Harry Kumle and Miss Frances Hermes attended the state fair Wednesday.

RESUMES TEACHING

Miss Mary Alexander left last night for Boston where she will resume her teaching at the Brownie and Nichols school, a well known preparatory school for Harvard, and also to take up classes in piano at one of the Brookline private schools. Miss Alexander is a graduate of the Illinois college Conservatory and for the past few years has been studying with Richard Platt in Boston, and this summer took a very progressive course under Thomas Whitney Burnett at Concord, Mass.

ATTENDS WEDDING

Miss Ruth Giller has returned to her home here after attending the wedding of Miss Rhoda Brooks Davis of Hannibal, Mo., former classmate at Millikin university. Miss Giller acted as maid of honor at the wedding, which took place Tuesday in Quincy. Miss Davis was united in marriage to Charles Schirmer of Denver, Colo.

ARMOUR BABY DEAD

Chicago, Sept. 17.—Jean, baby daughter of Mr. and Mrs. Phil D. Armour, died of pneumonia tonight at the Armour home in Lake Forest. The child, born last January, had been ill only since morning. The parents and a brother, Philip D. IV, survive. A sister, Gwendolyn, died about two years ago.

at the Episcopal church.

Mrs. Taylor is the daughter of Mrs. Ida M. Fuller of this city, and is well known here. She has made her home in Louisiana, Mo., for the past fifteen years.

Mr. Taylor is a former resident of Missouri and now holds a position with a bond firm in Hastings. Mr. and Mrs. Taylor will reside in Hastings.

TO TRAINING SCHOOL

Miss Lucille Harber left Monday afternoon for Chicago where she will enter the Chicago Normal Physical Training school for the coming year. She was accompanied to Chicago by her mother.

INCORPORATION PAPERS GRANTED COUNTRY CLUB

Incorporators Are Named For Jacksonville Country Club Association—Work Is Started On Grounds.

In the granting of articles of incorporation to the Jacksonville Country Club Association of this city another step has been taken towards the realization of a country club for Jacksonville. The articles have been granted by Secretary of State L. L. Emmer-son with H. W. King, T. A. Chapin and H. P. Samuell as incorporators. The incorporators will serve in this capacity until an official election at which time a board of directors will be elected.

Actual work which will culminate in the beautifying of the country club grounds surrounding Lake Mauvaisterre has begun. Thirty men with teams under supervision of H. W. Lautner, American Park Builder of Chicago, have been at work for the past ten days preparing the grounds for seeding. The club association feels that it is very fortunate in securing the services of Mr. Lautner since he is an expert in the building of country club grounds and golf courses.

The club grounds will consist of about 55 acres of land, which includes a plot of ground recently purchased by the association from the Morgan County Tuberculosis Sanatorium board. It is expected that the work of putting the grounds in shape for seeding will be completed within the next few days and on Saturday of this week a force of workers will be engaged in laying water lines to every green on the golf course. The course will be 3,177 yards in length and of standard size and

ILLINOIS COLLEGE OPENS ACTIVITIES

Beginning of 96th Year Observed with Chapel Program and Student Get-together.

Beginning the ninety-sixth year of collegiate work, Illinois College was formally opened yesterday with morning chapel exercises, followed in the evening by student welcome to the new students held in the gymnasium of the college under the auspices of the Christian associations of the student body. The spirit of these occasions was considered as forecasting an unusually successful year.

President Rammekamp delivered the chief address of the morning, and Prof. Garnett Hedge furnished the musical feature of the program. A number of local ministers were present to extend the welcome of their congregations to the students and participated in the exercises. Dr. A. K. Rule, professor of Biblical Literature, delivered the opening prayer, the Rev. W. H. Marbach the scripture reading and the Rev. G. E. Stickney the benediction. The Rev. A. P. Howells, president of the ministerial association, on behalf of the ten protestant churches of the city, urged the students to affiliate themselves with local church work and especially to attend the welcoming socials of the churches to be given next week.

A reception by Dean and Mrs. Scott for the freshmen and new special students was announced for next Tuesday evening at their home.

President Rammekamp outlined the objectives and ideals of a college education, and laid down several rules for their realization. Taking his text from the last chapter of Deuteronomy and the first chapter of Joshua, he compared the wanderings of the children of Israel with the entrance of the new student upon the borders of the promised land of higher education.

The store of knowledge obtained, he said, should be productive of a modest attitude toward the fields of learning which the best college education can only indicate. The training of the mind to assimilate knowledge and to apply it to life was emphasized by the speaker as the second great objective, and the third objective mentioned was the courage in overcoming difficulties. The fourth and to the speaker the greatest, objective of education is the cultivation of a love of truth.

COL. BRENGLE OF S. A. TO APPEAR IN CITY

Internationally Known Evangelist to Conduct Series of Meetings Here.

A series of revival services have been announced for next week to be held under the auspices of the Salvation Army. The local post of the Salvation Army will be visited by Colonel S. L. Brengle, of New York, widely known as the international evangelist of the Salvation Army. The services will begin Tuesday Sept. 23.

Col. Brengle has preached in almost every country where the Army operates, his work outside of this country being more particularly in the British Isles, Holland, France, Germany and the Scandinavian countries. In his services to the Army he has crossed the Atlantic ocean nineteen times.

The Colonel met the Salvation Army about thirty five years ago while studying in the Boston University. Since that time he has been connected with the Salvation Army and ten years before General Booth died he commissioned Col. Brengle as an international evangelist.

His services have been sought by churches, theological schools and summer assemblies. He was associated with Bishop Oldman and Wilson for five summers and Dr. Wilbur Chapman asked the Colonel to accompany him on his last evangelistic tour in Australia.

The widely known as an evangelist he also is well known as a writer. His books have met with such universal approval that they have been translated into many different languages. Not only are they found in Salvation Army circles but they have received wide circulation among other denominations and they have been used with marked success in foreign mission fields. Col. Brengle will address several clubs and talk to the schools while in the city.

LAD SUFFERS SEVERE INJURIES TO ARM

Little John Walters Wood, 4-year old son of Mr. and Mrs. Walter Wood, of Prentiss, was brought to Passavant hospital Tuesday evening, suffering from severe injuries to his right arm, as the result of falling into a gasoline engine on his father's farm.

There were no witnesses to the accident, and the child's account is that he fell from a wagon wheel on which he was playing, into the running machinery of the gasoline engine, which mangled his right arm, before he could be rescued. The bones at the elbow were badly crushed and splintered, and the right arm is bruised and torn.

PARTY GIVEN NEAR FRANKLIN

A supper was given Tuesday evening in honor of Bright Sears at the Outting club grounds at Franklin. The evening was enjoyed by playing 500. Those present were Mr. and Mrs. J. E. Sinclair and family, Mr. and Mrs. Newton Woods, Mr. and Mrs. Henry Lukeman and family and Mr. and Mrs. Bright Sears and family.

DENEEN POINTS TO G. O. P. PROUD RECORD

Candidate For Senator Uses Logic Rather Than Flower, Speech In Urging Support of Republican Ticket—Made Deft Plea For Party Harmony.

Ex-Governor Charles S. Deneen, Republican candidate for U. S. senator, came to Jacksonville last night and made an address before an audience which filled the circuit court room to overflowing.

Before the mass meeting Mr. Deneen was at the Dunlap for a short time and here a number of local Republicans called upon him informally.

The meeting at the court house began promptly at 8 o'clock, when the community band played several selections. Then Charles S. Black, chairman of the county Republican central committee, introduced Mr. Deneen, making brief reference to the splendid record of Mr. Deneen's administration as governor and also to the high esteem in which he is held as a private citizen.

Altho Mr. Deneen gave no signs of weariness in the admirable address in which he emphasized the great record of the Republican party as it has contributed to the peace and prosperity of the nation throughout the years, he had made seven speeches during the day.

Mr. Deneen stated that he has adopted this policy of personally meeting as many people as possible in the 102 counties of the state, in accordance with a rule laid down 20 years ago when he first became a state candidate. It is characteristic of Mr. Deneen that he did not in his address last night make any references to himself other than that already indicated, that he merely referred to LaFollette and the third party movement and said that he could not reasonably be expected to discuss what the Democratic party has not accomplished in the last three and a half years.

A Harmony Suggestion

After recounting the accomplishments of the Republican party under the leadership of President Harding for world peace, briefly discussing the problems of agriculture and emphasizing the happy condition of American workingmen by comparison with those living abroad, Mr. Deneen made a very deft plea for party harmony. He said that in the last Republican primary 800,000 people voted and that as Benjamin Franklin once said, "Everybody is wiser than anybody," and therefore the summarized opinion of the voters as expressed in the primary should be taken as the wisest and best.

Mr. Deneen went on to say that people are not as good or as wise as individuals as they are collectively. He illustrated his point with the statement that while the church teaches that 10 percent of ones earnings should be given to religious and philanthropic work, the states devote 34 percent of the money it collects to this work.

He said that there must be party responsibility and that the Republicans can keep in mind that there must be a party before a party can do. Any other way is like they do down in Mexico.

Without the mention of the names of any individual he made a plea for the support of the Republican candidates because of the party record, because the party in the nation's history has given the best service.

The speaker reviewed the events of four years ago when the people declared against the League of Nations and he recalled the fact that the Democrats then said that the only recourse left was to build a ship and outlined the ship building program. He recalled that President Harding and his Republican associates disagreed with this plan and called the conference of powers at Washington, which was the first step toward disarmament on sea.

The Republican administration was credited with persuading Japan to return to China the province of Shantung and with bringing about a better relationship between England and Japan. In his reference to the work of the reparations commission Gov. Deneen extolled General Dawes and Mr. Young, American members of the commission, but said in fairness that representatives of other nations were no doubt of equal ability. But he said the Dawes name was used in connection with the plan because Republican policies have given this nation an accomplished name for fairness and equity throughout the world.

The conference of the countries of Central America was suggested by President Harding and it was he who agreed to arbitrate the long disputed differences between Chile and Peru. Still other accomplishments toward peace were mentioned and Gov. Deneen said that while this nation wished the league of nations well, that certainly what America has done for world peace has outstripped the record of the world.

Economy Methods

Then the speaker turned his attention to the record of the nation, showing that in three years' time the Republican party pursued its policy of economy, paid off as much of the country's indebtedness as was done in sixty years following the war of the Rebellion. He told of the budget system and of the cutting from the national pay roll of 110,000 employees and the general adoption of the policy of President Coolidge, who has but two planks in his platform—economy and then more economy.

Governor Deneen said that President Coolidge is the first Yankee president that has served in many years and that there

should be a law or a constitutional amendment to provide for a Yankee president, with his habits of thrift and economy, following any great war.

The governor said that Mr. Davis, the Democratic presidential nominee, has tried to dispose of agricultural problems in one day's time but that there is no quick remedy for these troubles and that improvement can only come about thru the study of situations and the application of sound business and economic principles.

He went on to show that the worst condition of agriculture came about in the year of largest export and that there is nothing to the remedy of finding a foreign market. It is the price received and not the market which counts.

Keep The Tariff

Farm products and goods shipped abroad in the year mentioned came into sharp world competition and prices fell. So Governor Deneen said that there is fallacy behind the Democratic claim that conditions will improve if the tariff is lowered. If a billion dollars' worth of products come to this country from abroad, which means a billion dollars' worth of labor, it will merely supplement that amount in this country and push prices downward.

It is the home market that counts and back in 1913 after years of struggle the Republican party, thru its policy of protection had built up a home market consuming practically 90 percent of the products of the country.

Conditions in 1913 were the most satisfactory because there was the proper relationship between industry, trade and agriculture. That is the condition which the Republican party is seeking to bring about now, and Gov. Deneen said that the record of the years afforded the reason for believing that if given the opportunity of continuing their policies the Republican party will bring about the desired conditions.

Before Governor Deneen began his address Chairman Black introduced the county candidates on the Republican ticket: F. L. Dawson, commissioner; Hugh P. Green, state's attorney; C. S. Young, coroner; F. E. Wanamaker, circuit clerk and they were enthusiastically received.

As already indicated Governor Deneen came to Jacksonville from Petersburg. The trip was made by automobile instead of over the Chicago and Alton, and he was accompanied here by C. S. Black, county chairman; John J. Reeve, R. L. Dye, Col. O. C. Smith and Dr. J. M. Wolfe.

The governor will leave this morning to continue his speaking tour for the remainder of the week.

MRS. LOUISE HENRY IS TAKEN BY DEATH

Woodson Woman Passes Away Yesterday Morning at Home Near Woodson—Funeral Services Will Be Held Friday Afternoon.

The death of Mrs. Louise Henry well known resident of the Woodson community, occurred yesterday morning at 7:30 o'clock at the family residence. Death was due to rheumatic fever and complications.

Mrs. Henry was born on March 21, 1871 in England, a daughter of Arthur and Martha Bennett. She came to this country about thirty seven years ago and since that time has been a resident of Morgan county.

She was united in marriage to Jesse Henry on October 12, 1893, who survives, together with two children, Mrs. Amos McCurley of Jacksonville and Jesse Bennett Henry, Woodson. Two daughters, Martha Marie and Gladys Louise preceded her in death. She also leaves one brother, John W. Bennett of Los Angeles, California, and one sister Mrs. Mary Jane Graves of Culver City, Cal.

Besides being one of the most active members of the Woodson Christian church she took great interest in projects for the betterment of the community. She was president of the Ladies' Aid Society, a member of the Woodson Woman's Club and C. W. B. M. of the Christian church.

Funeral services will be held Friday afternoon at 2 o'clock at the Woodson Christian church. The services will be in charge of Rev. M. L. Pontius pastor of the Central Christian church and Dr. G. W. Miller. Interment will be in the Henry cemetery.

ALSEY FARMER BROUGHT HERE SHOT IN HAND

Harrison Haney, well known farmer of the Alsey community, was brought to the city and taken to Our Savior's hospital yesterday afternoon, suffering from gun shot wounds in the hand which were inflicted by the accidental discharge of a shot gun in the hands of Ray Haney, 17 year old son of the injured man.

The father and son were hunting on the former's farm when the younger Haney attempted to reload his gun, which was a 12 gauge repeating shot gun, and accidentally snapped the trigger causing the shot. The two were about 30 yards apart when the accident occurred and while the wound is painful it is not expected that it will result seriously.

Red Crown

The High-Grade Gasoline

Enables Your Car to Give Maximum Service

BACK of every gallon of Red Crown gasoline, stands the whole-hearted endeavor of the Standard Oil Company (Indiana) to manufacture a fuel which will enable your engine to yield maximum service.

This service includes more mileage. Red Crown vaporizes to the last drop, and the extra mileage is in the higher boiling point fractions. Red Crown gives full and even power to the end of the piston stroke.

This service includes better mileage. Red Crown gives complete combustion, producing sustained pulling power, instant response, and perfect flexibility. With Red Crown in your tank, your car carries your will into action without hesitation or delay.

Red Crown means added satisfaction in handling the car. In the lower boiling point fractions of its perfect chain, lies easy starting; while in the intermediate fractions, lies smooth and rapid acceleration.

From every angle, Red Crown is manufactured for service. It reflects the ideals of the Standard Oil Company (Indiana), embracing years of effort and experiment, to perfect a superior motor fuel, efficient to a maximum degree, yet within the reach of every motorist, both in price and in wide distribution.

Cleans, Polishes and Protects

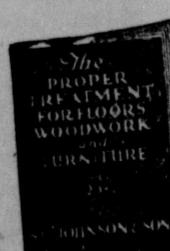

JOHNSON'S Liquid Wax is the ideal furniture polish. It cleans, polishes, preserves and protects—all in one operation. It rejuvenates the varnish and gives a delightful air of immaculate cleanliness wherever used. It imparts a beautiful, hard, dry, glass-like polish which will not gather dust and lint or show finger prints. Johnson's Polishing Wax takes all the drudgery from dusting. It is easy to apply and polish.

JOHNSON'S LIQUID WAX

WAX all of your floors and linoleum. It will make them beautiful—easy to care for—they won't be slippery—and will not heel print. And WAX is, by far, the most economical floor finish—a pint (75c) of Johnson's Liquid Wax being sufficient for 300 square feet—one coat.

With waxed floors expensive refinishing is never necessary, for worn places can be easily re-waxed as they appear, without going over the entire floor.

YANKS TAKE DOUBLE HEADER FROM BROWNS

Take First Game 7 to 3 and Second 8 to 7—Second Tilt Heavy Hitting Contest New York Getting Fifteen Hits

ST. LOUIS, Mo., Sept. 17.—The New York Yankees took both games from the Browns here today 7 to 3 and 8 to 7, thus tying Washington again for the lead in the American League. The second game was a heavy hitting contest in which the visitors slugged five Browns' pitchers for 15 hits including doubles by Bush and Ruth, Pipp's triple and a home run by Aaron Ward, with two men on bases in the third inning. Davis who was hurling for the Browns had pitched good ball up to that time.

The Browns collected 13 hits including doubles by Tobin and Jacobson and a home run by Jacobson in the seventh inning with two men on bases.

"Bullet" Joe Bush who started on the mound for the Yankees was battered off the mound in the seventh and relieved by Herb Pennock who held the locals safe for the rest of the game.

The first contest started as a hurling duel between Urban Shocker and Waite Hoyt. For five innings both sides went scoreless. Then the Yankees forced three runs over in the sixth while the Browns fell short one of this number in their half. The Yankees added two more in each the eighth and ninth. The locals put their final run over in the last inning.

The Yankees play their final game of the season here tomorrow.

Double plays, Ward to Scott to Pipp; Scott to Ward to Pipp. Left on bases, New York, 13; St. Louis, 8. Bases on balls, off Bush 3; Fennock 1; Davis 1; Pruet 1; Danforth 1; Vangilder 3. Struckout by Bush 1 Davis 1. Danforth 1. Hits off Bush 12 in 6 1-3; Fennock 1 in 2-3; Davis 7 in 3; off Pruet 1 in no innings; Danforth 4 in 4; Vangilder 3 in 1-2; Wingard none in 1-3. Umpires, Owens, Nallin and Ormsby.

ONLY THREE STARS GONE FROM ILLINOIS

URBANA, Ill. (NEA)—Illinois field is again alive with football players, candidates for the University of Illinois football team.

Coach Bob Zuppke has 60 men out for drill.

Scanning the list of names shows 14 of the 19 Illini letter men of last season. Only three of the regulars, who helped the Illini tie for the Big Ten title will be missing. They are Jim McMillen, guard; Viv Green, center and Ted Richards end.

With the return of Captain Frank E. Rokusek and Stub Muhl, Richards' loss will not be as keenly felt as that of the other two. Muhl played the wing position nearly as much as did Richards and will probably succeed him.

C. E. Kassel and Shields of last year's freshmen squad are the most promising of the other candidates.

Mush Crawford and Dick Hall, tackles, and Roy Miller, guard, are the other regular linemen who are back. Chuck Brown, a regular until he hurt his ankle in the Iowa game last fall, L. F. Slimmer, L. J. Nunnus, and G. J. Roberts, who earned their letters, will be back to fill in the line. Bernie Shevly was a member of last year's freshman squad and does best to fill McMillen's place.

The Illini will have their entire backfield of last year intact. Harry Hall, quarterback; Earl Britton, fullback, and Harold Grange and Willie McIlwain, halfbacks. Red Grange has been heaving ice in his home town, Wheaton, Ill., all summer and reports that he is in the best of condition.

TODAY'S STANDING

American League	Club	Won	Lost	Pct.
Washington	84	59	.587	
New York	84	58	.587	
Detroit	79	66	.545

Des Moines, 5; Denver, 6.

WALTER JOHNSON IN FORM, SENATORS WIN

Indians Held to Seven Hits, Washington Taking Game By Score of 3 to 2—Sam Rice Makes Record.

CLEVELAND, Sept. 17.—Washington made it two straight from Cleveland today. Walter Johnson holding the Indians to seven hits and winning a pitching duel from Sherrod Smith, 3 to 2. A wild throw by Catcher Walters in the seventh inning to catch Ruel off first enabled Ruel to take third from where he scored the winning run on McNeely's single.

Washington scored two runs in the sixth on an infield single by Judge, bases on balls to Harris and Goslin, an error by Burns and a sacrifice fly by Bluge.

It was Johnson's thirteenth straight victory. He fanned six men, increasing his strikeout record for the season to 149 and his all time record to 3,215.

Sam Rice, Washington right fielder today hit in his 24th consecutive game, a season's record in the American League.

The score:

Washington: AB R H O A E

McNeely, cf 5 0 2 0 0 0

Harris, 2b 3 1 0 3 4 0

Rice, rf 4 1 1 2 0 0

Goslin, lf 3 0 0 3 0 0

Judge, 1b 4 0 2 5 1 0

Bluge, 3b 3 0 0 4 0 0

Pec, ss 4 0 0 2 2 0

Ruel, c 4 1 2 7 1 0

Johnson, p 4 0 1 1 0 0

Totals 34 3 8 27 9 0

x-batted for Danforth in 7th.

New York 006 200 000—8

St. Louis 020 020 300—

Two base hits, Tobin, Jacobson, Bush, Ruth. Three base hits, Pipp, Home runs, Ward, Jacobson. Stolen bases, Meusel, Hofmann. Double plays, Ward to Scott to Pipp; Scott to Ward to Pipp. Left on bases, New York, 13; St. Louis, 8. Bases on balls, off Bush 3; Fennock 1; Davis 1; Pruet 1; Danforth 1; Vangilder 3. Struckout by Bush 1 Davis 1. Danforth 1. Hits off Bush 12 in 6 1-3; Fennock 1 in 2-3; Davis 7 in 3; off Pruet 1 in no innings; Danforth 4 in 4; Vangilder 3 in 1-2; Wingard none in 1-3. Umpires, Owens, Nallin and Ormsby.

Tunney-Greb Bout Is Considered A Draw

OLYMPIC ARENA, Cleveland, O., Sept. 17. (AP)—Gene Tunney, American light heavyweight champion and Harry Greb, world's middleweight champion, fought ten rounds on fairly even terms here tonight, according to a majority of the newspaper experts at the ringside.

Tunney, punching more accurately and effectively, possibly was entitled to the shade in the opinion of the experts. Greb fought his characteristic battle, bounding around the ring like a rubber ball and throwing punches from every angle.

Although they fought at a furious pace neither was damaged. This was the fourth engagement Tunney having twice defeated Greb after losing to the middleweight titleholder the first time.

Greb scaled about 166 pounds while Tunney's weight was near 175.

Between 8,000 and 9,000 spectators bundled in overcoats braved the chilly blasts sweeping off Lake Erie to witness the contest which was staged in an open air arena.

In a fast six round preliminary Frank Stellmack of Cleveland defeated Jack Stewart of Wheeling, W. Va. They weighed 134½ pounds.

The semi-windup resulted in a technical knockout for Al Zeimer of Cleveland over Bobby Renderle of Toledo in the fifth round of a scheduled six round go. Zeimer weighed 120 pounds while Renderle scaled 120½.

Greb started out to carry the fight to Tunney, but was wild and missed frequently. Tunney centered his attack on Greb's body. Tunney had a clear advantage in the second, driving both fists to the body and driving them up to the head. Tunney reached both fists to the body whenever they tangled up.

Greb flew into Tunney at the start

15 New Studebakers

Including an entirely new type of car—the DUPLEX-PHAETON

Today Studebaker has made Automobile History and established standards of value and quality more fully and obviously than ever before.

TODAY Studebaker proves that beautiful, distinctive, stylish body lines can be originated by American body designers without following precedent or imitating what has been done before.

Today Studebaker proves that a practical and beautiful type of car can be made to combine the pleasure and performance of the open car and the comfort and protection of the closed car—and this without excessive price or compromised quality—a car “duplex” in open-car smartness and convenience and closed-car elegance and comfort—and at a price no higher than that of an open car!

Today Studebaker proves, in its new Standard Six Duplex model, that a six-cylinder car of fine quality, great power, plenty of room and impressive appearance can be made and marketed at a price of \$1145.

Today Studebaker proves in its new Special Six and its Big Six Duplex models that the ultimate in all the essential features of quality in five- and seven-passenger cars can be made and marketed at a price of \$1495 and \$1875 respectively.

And this is possible only because Studebaker cars are made in one of the most comprehensive industrial plants in this country, 70 per cent of which is new within the last six years.

Every modern method of manufacture and long experienced management are available for the production of Studebaker automobiles.

Today Studebaker proves that the highest grade closed car bodies—framed in selected hard woods, cushioned with the best cushion work, upholstered in fine mohair fabrics and fitted with expensive appointments—can be made and marketed on superlatively good chassis at moderate prices.

This is made possible by the new \$10,000,000 Studebaker closed body plants. Studebaker designs and builds all of its closed bodies in one of the best equipped and most modern body plants in the industry.

The Three New Chassis

THE STUDEBAKER STANDARD SIX—113 in. wheelbase, 5-passenger. Engine, 3½x4½, 50 b.h.p.—with 6 different bodies, including Duplex-Phaeton, Duplex-Roadster, Coupe-Roadster, Coupe, Sedan, and Berline.

THE STUDEBAKER SPECIAL SIX—120 in. wheelbase, 5-passenger. Engine, 3½x5, 65 b.h.p.—with 5 different bodies, including Duplex-Phaeton, Duplex-Roadster, Victoria, Sedan, and Berline.

THE STUDEBAKER BIG SIX—127 in. wheelbase, 7-passenger. Engine, 3½x5, 75 b.h.p.—with 4 different bodies, including Duplex-Phaeton, Coupe, Sedan, and Berline.

The Ten New Closed Bodies

COMPLETELY NEW BODIES—each car a masterly expression of modern style, yet distinctly original in beautiful lines—individual, conservative, impressively elegant, but crisp enough in its departure from imitation to be entirely distinctive.

Three completely new chassis!... 15 completely new bodies!

Completely new lines! . . . Marvelous new performance

Completely new open-closed car!

Completely new radiators, new fenders, new lamps, new seating comfort, new finish, new colors in lacquer finish, three improved engines

Real balloon tires, not low-pressure cords. Sizes—21" x 5.25" to 20" x 7.30".

New Studebaker automatic hydraulic 4-wheel brakes—optional.

New values, never before equaled—even by Studebaker!

The Five New Duplex Bodies

(A new type of car originated by Studebaker to take the place of the open car)

SO ENTIRELY NEW and so different from any other body ever made before that a new name had to be created—the DUPLEX.

The upper structure is shaped in pressed steel and covered with the finest water-proof fabric. The steel construction permits the use of another radical Studebaker creation, the new roller enclosing curtains. There is the permanent beauty and durability of the steel top plus the instant convenience of the roller curtains.

Thus Studebaker engineers have solved the open-closed car problem.

The buyer who wants the airiness and practical convenience of the open car and who also wants the comfort, protection and beauty of the closed car can now get both in one car and at the price of an open car.

One moment the new Studebaker Duplex is a beautiful open car—a touch of the hand to the over-lapping roller curtains and it is a snug weather-tight closed car.

Balloon Tires

Genuine and full size balloon tires on all models. Every part that functions with the tires has been specially designed for balloon tire equipment—steering gear, steering knuckles, spindles and springs, even the fenders.

New Lacquer Finish

The Standard Six closed bodies are beautifully finished in semi-glaze, satin lacquer. The hood and lower panels are in light gray, the upper panels in darker gray. Hair-line parallel striping in oriental red. Burnished nickel radiators, jet black fenders, light golden finished, natural wood wheels and big balloon tires are contrasting touches.

The Standard Duplex Models are finished in glossy jet enamel—lasting, lustrous and wear-resisting.

The Special Six and the Big Six Duplex models are in soft satin lacquer with dark blue hoods and bodies striped in light blue and ivory. Here, too, the sparkle is added with burnished nickel radiators and light, natural wood wheels in contrast with jet black fenders and big, black balloon tires.

More Power

The universally famous Studebaker engine is more than ever a peer among power plants. The crankshaft is heavier. ALL surfaces are perfectly machined to exact dimension and balance. The bearings are larger.

The engine is in unit with the clutch and transmission. There is a force feed lubrication system with clean, strained oil always in reserve. There are many changes and improvements which result in MORE POWER, MORE QUIETNESS and SMOOTHNESS and STILL BETTER PERFORMANCE in every way.

New Brakes

Larger, more powerful, simpler and much easier operated two-wheel brakes. An entirely new emergency brake is operated from the instrument board, instantly convenient to the driver's hand where it simplifies the control and frees the floor board from the old style lever. It acts on the propeller shaft. There is uniform pressure at each wheel—equalized through the rear axle.

The regular two-wheel Studebaker brakes with their simplicity, safety and great braking power are entirely adequate.

But Studebaker 4-Wheel Hydraulic Brakes (with disc wheels) can be furnished as optional equipment on all models at extra charge if desired.

Studebaker 4-Wheel Brakes have three exclusive features not found on any other system in this country.

1. Braking pressure is furnished by hydraulic power automatically developed. A light touch to the braking pedal controls its great force like a touch to the throttle controls the power of the engine. This feature will appeal instantly to women.

2. The front wheels cannot lock.

3. There are only two adjustments required—one at each rear wheel. The front brakes are permanently adjusted at the factory. The oil in the transmission is used to generate the hydraulic power; the action of the gears and the pump keep it in circulation; it cannot congeal or freeze. Braking power is always instantly ready—in winter as well as in summer!

New Ease of Operation

New Ease of Gear Shifting—New power in braking, a touch to the pedal exerts a giant's strength at the rear wheels—New clutch action, soft as velvet—A new steering gear and steering knuckles designed for balloon tires—A new grouping on the dash, including ALL the usual instruments plus a gasoline gauge that always works accurately.

Lighting Control Switches—all on the steering wheel—instantly handy.

Automatic Spark Control—No manual attention required, so the lever is eliminated. Automatically governed to all speeds with the precision of machinery,

And the Details

The new cars are longer and lower to the ground. The line from the radiator to the rear is nearly straight. The wheelbase of all models is increased.

The fenders are much wider and deeper crowned to cover the width of the tires. They fit more closely over the wheels. The rear fenders are long and gracefully curved into the running boards.

The radiators are high and set low in the frames and convex curved just below the filler cap. The design is strikingly original and beautifully distinctive.

Entirely new head lamps and cowl parking lamps designed by Studebaker—artistically appropriate and in perfect keeping with the originality of the body and fender design.

Deeper, stiffer frames, more cross members; shorter, flatter springs for balloon tires. All bodies lower, all roomier, better and more comfortably cushioned. Seats are lower, backs and sides are higher.

Look Forward Into Next Year

The new Studebaker is here today! And no matter how sweeping your ideas of what a new model should be this car will satisfy you. It will thrill you with the very newness and originality of its beautiful lines!

You may not be in the market now, or even this year. But to see the new Studebaker is to look forward into next year—and the year after! SEE IT TODAY!
